# HANDS AND FEET

## APPLICATION FOR SERVICES

---

The success of Hands and Feet (H&F) is entirely due to our volunteers and the individuals, organizations and churches that make financial donations. Our mission is to provide home repairs and other home-related service to as many people as possible who need help, regardless of ability to pay. We feel we are being called to be the HANDS and FEET of JESUS in our community.

***Please read the following and sign and date this application:***

I give permission for volunteers from H&F, both youth and adults, to provide services at my home. I understand these are not professionals working for profit and that no warranty is made as to the quality of work completed.

I release and agree to hold harmless H&F or any individuals, churches or organizations associated with this organization from any and all claims, demands, actions of any sort, including those for personal injury or damage to property arising out of or related to the aforementioned services. I understand these services will be provided by volunteers, not professionals or experts in any of the home improvement trades.

I understand that photos of volunteer activities are often used in the newsletters and website for H&F, or other promotional purposes. H&F will be allowed to use images taken on the worksite, including pictures of me and/or my family. For your privacy, no names or addresses will be published in any promotional materials, including websites and social media.

I also understand that my request for work will be evaluated by the H&F Leadership Team to determine viability/feasibility. I understand that my projects may not be selected and/or all the requests made may not be able to be completed.

If the projects I've requested are selected, a member of the H&F Leadership Team will contact me to schedule a date and any other associated details. I understand that an adult must be present on the day the work will be performed, while the volunteers are there.

I also understand that, if I am a renter, permission may be needed from my landlord in order to proceed with the work.
